

## **Attention faculty and staff:**

The MWHS School Improvement Team is composed of three subcommittees, one of which is Public Relations. The public often isn't aware of all the wonderful events that happen here; therefore, showcasing our many great activities by providing photos and articles to the local media is one of our goals.

If you have a classroom activity or a club event for which you would like newspaper coverage, please check out the list below. Several people have sent out e-mails to the listed links and have had immediate and favorable responses. As most of you have seen, MWHS recently received excellent coverage for the Foreign Food Festival and the Josten Class Ring Contest.

If you have any ideas to improve our school's PR, please share them with one of the subcommittee members. If you would like some help organizing coverage for an event, please contact Matt Dietz, [mdietz@mwsd.cc](mailto:mdietz@mwsd.cc). Better yet, join the committee.

Jim Dent, Matt Dietz, H. Brennar, Dianne Hackenberg, Darlene Volchansky, Nichole Fisher, Jolene McGuirk, Chris Snyder and Pete Voss
